VETERAN THISTLEDALE SHOWS KEEN SPEED THROUGH FIELD AT PIMLICO.

ns Lead of Dozen Lengths in Green Spring Valley Steeplechase-Colonel Holloway Wins the Maryland Club Purse.

Baltimore, Md., May 14.—The Green Spring Valley Steeplechase, over the two mile and a quarter course and the Maryland Club purse, a dash of one mile and forty yards, were provided as features at Pimlico this afternoon. Class was chiefly conspicuous because of its absence and a majority of the winners had long margins to spare as they flashed past the judges. The lack of good horses has been quite noticeable here this spring, and tends to show how the breeding industry in this country is being wreeked by the reformers. The Green Spring Valley Steeplechase was easy for old Thisticale. The latter, in fine fettle, opened a lead of a dozen lengths on the first turn of the field and, although he tired during the last round, he managed to last long enough to win by three lengths. Vilhalla, the heavily backed favorite, broke down during the running and was quite lame when she pulled up.

during the running and was quite lame when she pulled up.

The Beverwyck Stable furnished the winner of her Maryland Club purse in Colonel Holloway, a horse that had been racing disappointingly in recent starts. Like Thistledale, Colonel Holloway was a good borse this afternoon. When the barrier was released he dashed to the front, and in the run around the first turn opened a lead of couple of lengths, which he retained all the way. The pace throughout was fast, the first mile being run in 1:40, a smart performance considering that the going at Pinulico this spring is slower by a full second than it was last season.

a snart performance considering that the going at it was last season.

A delay was caused in the running of the seventh race, due to jockey Pickens, who had the mount on Elnar, being kicked on the leg by Huda's Sister. Pickens' injury necessitated his being taken down and Forchand was substituted. This race was won by Bat Masterson, which beat Elnar a head. Both were outsiders in the betting and in the mutuel pooling there were no tickets sold on either of, them. This resulted in the straight mutuel pool being pald to Huda's Sister.

Several horsemen departed for Canada this afternoon. R. E. Watkins shipped tonight, as did also the Beverwyck Stable. William Garth and Albert Simons will leave tomorrow. T. J. Healey, Capt. W. F. Presgrave and a number of other horsemen will ship Thursday morning.

Eugene Lutz has decided to remain in Maryland with his horses this summer. Messenger Boy, winner of the Kentucky Endurance Stakes last fall, will be prepared for the renewal of that stake at Churchill Downs the coming fall.

Tarts, winner of the fifth race, was suffering from skin disease and it was with some difficulty that her handlers were able to tighten the saddle girths before she went to the post.

F. Schelke, former trainer for Capt. P. M. Walker, has been engaged by J. W. Hedrick to handle his lorses. Love Watches, one of the Hedrick racers, broke down after being worked this morning.

APPLICANTS FOR MONTREAL STALLS.

Montreal, Que., May 14.—That there will be plenty of excellent racing material for the spring meeting of the Montreal Jockey Club June 1-8, is best demonstrated by the numerous applications which have been made for stabling. Never at such an early date have so many applied for stalls as this spring there are over six hundred stalls in the best of repair at Blue Bonnets, which will enable the management to take care of all comers without crowding or trouble. Workmen are already busy on the blant, giving it the usual spring renovating. The Canadians will be represented here in larger numbers than in any previous year, which is perhaps due to the adding to the list of stakes of the Connaught Cup. a gift from their Royal Highnesses, the Duke and Duchess of Connaught, for Canadianowned horses. There is a clause in the conditions which will permit of supplementary entires until May 23.

Included in the list of applicants for stalls will be found the names of several who have not raced at Blue Bonnets for two or three seasons, but who will return this spring with better horses than formerly. Some newcomers, whose colors will be seen for the first time in Montreal, are also included. The following is a complete list of those who have applied for stabling and have been alloted stalls by the management of the Montreal Jockey Club: G. R. Tompkins, Dion Kerr, Mrs. L. A. KING'S PLATE CONTINUES OPEN RACE.

Several Stables Feel Confident of Furnishing the Ill Health Influences Chairman of Kentucky State Winner-Recent Trials at Woodbine.

Winner—Recent Trials at Woodbine,

Toronto, Ont., May 14.—Only a few more work days remain for such horses as are to run next saturday for the Guineas of the King, and the \$5,000 of the Ontario Jockey Club. For all that there is little preparation yet to be done the race has not lost its open aspect, and this year's struggle promises an interest more widespread than ever. There is no reason apparent why the supporters of the Dyment, Crew, Seagram, Davies and Gorman colors, particularly, should not retain all their confidence that this is their year. Good as has been the work of some of the more prominent candidates, it is quickly paralleled by the next serious work of the others, and while all can find encouragement, not even the most enthusiastic could say that his own fancy has put the opposition in the shade.

The last few days have seen Platters working it ime that a few years ago would have made success a certainty, but which now only puts them in the class of the possibilities. The record for the season was made Saturday afternoon, when Robert Davies' Gold Bud did the mile and a quarter journey in 2:11½, which just beat by a fifth of a second the performance of Amberite in the morning, with D. McCarthy up. Gold Bud carried less weight than Amberite did and E. Martin, who came on from Baltimore especially for the purpose, was in the saddle. Calumny and Maryland, from the Gorman stable, worked the same distance in 2:13%. Tropacolum and Heresy, the Dyment candidates, did it in 2:12.

The return of winter interfered with training operations at Woodbine during the past two days cold weather and a muddy track making unpleasant conditions. Today there was an improvement, and tomorrow is likely to see midsummer temperature.

The fastest work this morning over a deep track was five-eighths in 1:02%, by Hamilton and Planutess, from the Schorr stable, and three-quarters in 1:18% by St. Bass, last year's Plate winner.

The King's Platers worked as follows:

Amberite—Three-eighths in 37%.

Archie Zimmer's Caugh Hill, Arbutus and Charley Brown.

C. Howland's Miss Detroit and Irish Dew.

T. Shannon's Gold Mine, Cheer Up and Fawn.

The last-named wintered at Grimsby and the Howland pair at Detroit, while the others are from Kentucky, where the Schorr stable wintered, and the others were racing. Only two of these arrivals are two-year-olds:

Sybil Van, ch. f, by Bryn Mawr—Marian.

Irish Dew, b. f, by Kilkerran—Wainamoinen.

Four of the Schorr horses are to come from Baltimore.

Four of the Schorr horses are to come from Datesmore.

The Valley Farm Stable is not on the books this year, but it is hard to get away from the use of the name in referring to the horses of Hon. John S. Hendrie, which Eddie Whyte brought down from Hamilton on Saturday and which are occupying the Hendrie stable under the great white birches. They number only eight, and the Plate representation has now been reduced to a single three-year-old, Le d'Or. Rock Spring has been declared out on account of lameness, and Pekisko was left at home. The others are Denham, Powderman, Commola, White Caps and the two-year-olds Brant, Golden Syrup and Spray. Ed Glasseo's two King's Platers from Windsor, Joe Gaiety and Prince Polo, also arrived.

COLONEL CLAY TENDERS RESIGNATION.

Racing Commission to Give Up Position.

Lexington, Ky., May 14.—News from Frankfort today that Col. E. F. Clay has tendered to Governor McCreary his resignation as state racing commissioner was received with genuine surprise and regret by people in this section who are interested in the turf. Colonel Clay has not stated his reasons for resigning, but the general supposition is that it was due to the poor state of his health. Colonel Clay has been a member of the Kentucky State Racing Commission since the creation of that body six years ago, he having been one of the original five appointed by Governor Wilson in 1906.

Colonel Clay for the past two years served as chairman and Col. Milton Young as vice-chairman. The latter now becomes chairman. He said today that he has no information concerning the probable successor to Colonel Clay for the commission, that being a matter to be decided by Governor McCreary. Neither could be say when a meeting of the commission will be called.

There is hereabouts a healthy sentiment in behalf of Fred A. Forsythe, of Harrodsburg, as the successor of Colonel Clay. Mr. Forsythe is well equipped for the position. He is a college graduate and a graduate in law, though not a practitioner. He knows the racing game from A to Z, having been all along the line as an owner and breeder and he has made a success of all his undertakings. In racing he was of the firm of Chinn & Forsythe, which turned out so many winners and as a breeder, is master of Fountainbleu Stud, which is located in Mercer County, and is one of the best in the blue grass region. It is quite certain that a large number of horsemen will express to Governor McCreary their preference for Mr. Forsythe.

Louisville, Ky., May 14.—The news that Col. E.

Louisville, Ky., May 14.—The news that Col. E. F. Clay had resigned from the Kentucky State Racing Commission came as a surprise to horsemen here. It was generally held that the resignation was due to Colone! Clay's ill health. Woodford Clay, who is racing a string of horses here, said that his father had been alling for a long time and had contemplated resigning some time ago, but had been prevailed upon to defer such action. Major Daingerfield, who is the steward here representing the commission, said that Golone! Clay's resignation was due to ill health. Several of the commissioners, according to Major Daingerfield, had tried to prevail upon Colone! Clay not to resign, but the chairman felt that he could not be in attendance at the meetings and deemed it best that the commission should be composed of active members. Several have been prominently mentioned as Colone! Clay's successor, including Col. Jack Chinn and Fred A. Forsythe. The latter is a favorite with horsemen. Governor McCreary is expected to appoint Colone! Clay's successor at an early date.

BRITISH COLUMBIA DATES ANNOUNCED.

Vancouver to Have Fifty-Six Days of Racing, Be gining June 29 and Ending September 7.

Spokane, Wash., May 14.—Madman won a purse for H. G. Bedwell when he accounted for the fourth race at Alan today. Mona Canomann, a fast bush racer from Ogden, and Calisse, raced out into the lead but could not stand the terrific pace that they set and Madman picked them up in the stretch. Royal Tea met with some interference and closed well. Meadow, making her first appearance, showed that she is nearly ready and she probably will be hard to beat from now on.

Hugh Springer, vice-president of the British Columbia Thoroughbred Association, announced this morning that there would be fifty-six days of racing at Vancouver beginning June 29 and ending September 7, with one week's intermission for the International Fair. The purses will not be less than \$2.100 daily and there will be twelve stakes carrying values of \$1,000 and over. W. W. Finn has been appointed as general superintendent of the racing.

Jockey Keogh was thrown into the fence in the first race and had a foot bruised. His remaining engagements were canceled. Jockey Buxton was suspended for five days by the Judges for rough riding. Phil Connor was claimed by M. W. Palmer for \$425.

PIMLICO HAVING ITS GREATEST MEETING.

PIMLICO HAVING ITS GREATEST MEETING.

Commenting on the racing now going on at Pimlico, the Baltimore Sun says:

"It has been the most successful spring meeting, all agree, that has been held in years. The attendance has been large, the racing good and the quality of horses, while not up to the average of past seasons, has been better than that at any of the other race courses. The effect of anti-racing legislation in various states is beginning to be felt in all parts of the country. There are, of course, many high-class thoroughbreds left, but the number has been materially reduced, with the result that horses are now winning that would not have been able to get in the money a few years ago. The racing Saturday was probably the most notable of the meeting—notable particularly for the victory of horses that are owned by millionaires. Harry Payne Whitney, who is racing an extensive stable in England, August Belmont and Charles R. Fleischmann captured a majority of the events, which shows that even with the discouragement that has come to the sport, racing still holds influential and wealthy patrons.

"The result of the Pimlico Nursery, while captured undoubtedly by the best horse, was disappointing to the people of Baltimore and Washington. Billy Garth had counted on winning the event with one of his trio of entries, but while Lace had some excuse, there is no question that Rock View was far the best. Lace bucked her shins during the running and pulled up sore after the finish. It is likely she will not be seen again under colors until after the Toronto meeting. But Garth had little to complain of, for Little Hugh, a colt he bred himself, was second and bids fair to train into a real good one."

ANSWERS TO QUERIES.

Alex. S., Chicago. Make your own calculations, using the figures of equivalent betting odds.

E. A. W., Chicago. III. Waterman never raced on the flat or over obstacles. He was a chestnut horse foaled in 1903 by Derwentwater—Splash. He was bred by the late William Hendrie of Hamilton, Canada.

Canada.

A. J. M., Windsor, Ont, There is no inharmony between the two opinions, one referring in the main to straight betting and the other to a situation that arises now and then in place and show betting. There having been no separate place betting on Tankard, the parlay was void as to him and won on Pink Lady and Tay Pay.

G. W., Chicago, and others elsewhere. If before a race an owner chances to sell one of what would have been a coupled entry, the effect is precisely as if the horse had been scratched. Thus the Whitney entry was Buskin and Barnegat as made in race 2250, but Buskin having been sold shortly before the race, ran in his new owner's name and Barnegar ran for the backers of the Whitney entry. Had he won, payment would have been in order.

E. R. BRADLEY'S BRIAR PATH WINS JUVENILE FILLY FIXTURE AT LOUISVILLE.

Beats Christmas Star, Favorite for the Debutante Stakes, by a Length-Adams Express Starts the Season Successfully-Big Crowd at the Downs.

Louisville, Ky., May 14.—The Debutante Stakes, which featured today's card at Churchill Downs, and worth \$1,910 net to the winner, was taken by E. R. Bradley's Marta Santa—Sweet Alice filly Briar Path from nine other juveniles of her sex. Catesby Woodford's Christmas Star, the overwhelming favorite, finished in second place, and Oneida was third. Briar Path dominated the running throughout and had a margin of a length at the finish. Christmas Star probably was best in the race, for in addition to suffering a poor send-off she was forced to go wide throughout. She finished in game fashion and was steadily wearing the winner down.

The condensed history of the Debutante Stakes since 1900, is as follows:

Some of the better class of horses figured in the contests. Betting was again spirited and as many of the shorter-priced contenders were factors at the finish, the public must have experienced a profitable session. While the bebutante Stakes held much interest, the race preceding at one mile and twenty yards for a purse of \$700 shared in importance, due to the presence of Adams Express and Starbottle, both of which were making their first starts of the season. The pair absorbed most attention, with the Hallenbeck representative almost a prohibitive favorite at post time. He scored impressively over Starbottle, with Cherryola also showing a good performance in finishing third. Starbottle essayed the pacemaking in the early stages at a fast clip, but Shilling kept Adams Express in close proximity and assumed command when ready. Starbottle faltered in the final furlong as if a trifle short and should be benefited by today's race. Cherryola probably will also be a factor in future.

The worst upset of the afternoon came in the second race when Yorkville was beaten by Nobby. Yorkville was best, but incompetent handling cost him the purse. Fain made amends by handling Feather Duster faultlessly and landing him winner of the closing dash after an exciting struggle with Aspirin and Colonel Ashmeade.

Working Lad and The Royal Prince figured in a rousing duel in the fifth, Working Lad, though best, just escaping defeat because of a series of mishaps to The Royal Prince.

J. Simon Healy arrived today from Baltimore with four horses owned by Captain E. B. Cassatt. James Fitzshimons brought ten horses, variously owned, and W. M. Carter brought fifteen horses. Jockey McCahey came with the consignment and joined the riding colony here.

riging colony here.

Trainer George Ham received a letter today from jockey F. Herbert, formerly in the employ of W. Gerst, and well remembered as the rider of Donau when he won the Kentucky Derby. Herbert writes that he is meeting with success riding in Germany, but has lately received a tempting offer to go to England to ride for a prominent turfman, which he will accept.

Jockey Kennedy has abandoned hope of resuming riding on account of increasing weight and has decided to join the ranks of the owners. He purchased today from James MacManus the two-year-old colt, Homeland, which is to form the nucleus for a modest racing string he intends to campaign.

E. R. Bradley has decided to put Helmet back into active training. This horse is said to have worked five furlongs this morning in less than 1:00.
H. D. Brown arrived last night from Baltimore, en route to New Orleans. He conferred with Messrs. Rhinock and Respess regarding the proposed track to be built at Havre de Grace, Md. Mr. Rhinock, who is one of the prime movers in the venture, departed tonight for Baltimore, where he goes on business connected with the building of the new track. While the plans in detail have not been perfected, it is almost certain that the work of building will be started soon, for it is planned to conduct a thirty-days meeting over the course about September 1. Ample capital is available to finance the project and it is intended to have the appointments first class.

Dillard Hill brought a string of twelve horses to Louisville from Lexington, and has them quartered at Douglas Park. When asked what horses he had in training he said: "Grover Hughes and Bob Co and a string of ten other horses not worth printing." Mr. Hill dees not think a horse amounts to much until he wins a race, but there is some interest attached to one other member of his string, that performer being the six-year-old Austin Sturtevant, which now and then wins a race. The veteran horseman thinks Grover Hughes was never better than he is this spring, and he expects to see him race as successfully this season as the son of Handsel did last year.

Duval, which pressed Worth so closely in the Kentucky Derby, has only one future stake engagement at Louisville, and that is the Churchill Downs Handicap, one mile and an eighth, to be run on Saturday, are engaged in the Latonia Derby, one mile and a fixed today, unloaded in bad condition and there is sense.

Went to post at 2:59. At post 2 minutes. Start good and slow. Won easily; second and third driving. EARLY LIGHT set a fast pace on the outside to the last furlong post, where he drew away and won in a canter. COCK O' THE WALK ran in the rear until straightened out in the homestretch, then finished with a good burst of speed. BRUSH dropped back in the first sixteenth, but closed up rapidly after entering the homestretch. MARY SCRIBE showed speed, but failed to stay and tired badly at the end. LITTLE INPITER ran a good balf mile.

Since he resumed riding at Coeur d'Alene, jockey Gross has been showing the same good form that enabled him to head the American jockey list up to the closing of the Juarez meeting and he is now in a fair way to regain first place from C. Turner, who displaced him at the head of the list while he was temporarily out of the saddle. Turner has been riding with a fair degree of success of late, but finished last week only one mount ahead of Gross. The record of the thirty leaders from January 1, to and including the racing of Saturday last, is as follows:

BAT MASTERSON ran to the front soon after the start and made a fast pace all the way, but was thing at the end and just lasted long enough to outstay ELNAR.
